

1 Delegates desiring to debate have priority over  
2 delegates desiring to ask questions. Any delegate desire  
3 to speak in opposition?

4 Delegate Vecera.

5 DELEGATE VECERA: I am debating it.

6 On line 7; what Delegate Weidemeyer is intending  
7 to do, I think he is making the scope wider by saying  
8 "those indirectly employed under contract". That would  
9 take in a wider scope. He wants to do away with all the  
10 private as well as state employees.

11 I think he did not intend that and perhaps he  
12 might want to modify that section, Mr. President.

13 THE CHAIRMAN: Any other delegate desire to  
14 speak in favor of the amendment?

15 Do you desire to speak in favor of the amend-  
16 ment, Delegate Mitchell?

17 DELEGATE MITCHELL: No.

18 THE CHAIRMAN: Any delegate desire to speak in  
19 favor?

20 Any delegate desire to speak in opposition?

21 Delegate White.
